Degree Progress Report Assignment

	Evaluation Questions	Measure(s)	Target
	Will the DPR assignment lead to more correctly declared majors?	Number (Percentage?) of students with declared majors before vs. after the assignment	10% increase
	Will this exercise facilitate student engagement with advisors?	Number of students visiting advising (10/1-15 vs. 10/16-30)	7% increase
	Will this assignment lead to increased self-advising and/or ownership of degree plans?	Number of requests for Student Success Specialist interventions.	≥50
	Did students in pilot courses complete the assignment?	Percent of students completing full assignment	75% full completion rate
	Will students participating in the DPR Assignment more efficiently schedule coursework to attain their desired degree(s)?	Rate (percentage) of "off-track" notifications (DPR students vs. General Student Population).	Statistically significant difference between groups
