Detailed Assessment Report 2008-2009 Dual Enrollment Transition Taskforce

Mission/Purpose

The purpose of the Dual Enrollment Transition Taskforce is to increase the number of dual enrollment students registering at STC upon graduating from high school.

Outcomes/Objectives, with Any Associations and Related Measures, Achievement Targets, Findings, and Action Plans

O 1: Establish pathway CATE council

The Technology Dean, in cooperation with chairs and outreach specialist in that area, will establish and meet regularly with at council comprised of CATE Directors in our service area.

Related Measures:

M 1: Target date.

Source of Evidence: Administrative Measure

Achievement Target:

For Fall 2008.

O 2: Establish advisory committee

Establish an advisory committee comprising of public school faculty, administrators and counselors.

Related Measures:

M 2: Target date.

Establish this by target date.

Source of Evidence: Administrative Measure

Achievement Target:

By spring 2008.

O 3: Schedule STC/DE meetings

Schedule a meeting once a semester of STC chairs with DE and adjunct faculty.

Related Measures:

M 3: Number of meetings.

Measure the number of meetings by semester.

Source of Evidence: Administrative Measure

Achievement Target:

Once a semester.

O 4: Establish liaison program

Establish a Dual Enrollment Liaison Program (DELP) comprising of Dual Enrollment

Faculty (DEF) from the high school.

Related Measures:

M 4: Target date.

Establish liaison program by target date.

Source of Evidence: Administrative Measure

Achievement Target:

Establish by summer 2008.

O 5: Schedule Dual Enrollment STC orientation training

Schedule a Dual Enrollment STC Faculty orientation and college promotion training with all participants.

Related Measures:

M 5: Number of meetings.

Number of meetings scheduled for dual enrollment/STC Faculty.

Source of Evidence: Administrative Measure

Achievement Target:

At least once a school year.

O 6: Schedule FAFSA award timelines

Schedule the earlier delivery of FAFSA Application and Award letters to DE students.

Related Measures:

M 6: Target date.

Schedule earlier delivery of financial aid by target date.

Source of Evidence: Administrative Measure

Achievement Target:

Completed by the end of spring, each year.

O 7: Establish student leadership program

Establish a student leadership program that will orient DE students into the STC campus culture.

Related Measures:

M 7: Target date.

Establish leadership program by target date.

Source of Evidence: Administrative Measure

Achievement Target:

Establish leadership training program by summer of 2008.

O 8: Develop CATE degree "maps"

Develop career and technology (CATE) degree "maps" for all participating high schools.

Related Measures:

M 8: Target date.

Establish and distribute by target date.

Source of Evidence: Administrative Measure

Achievement Target:

Establish and distribute by spring 2008 and again the start of fall 2008, and each year after that.

O 9: Facilitate DE student access to STC

Facilitate and promote DE student access to campus resources, parking permits, etc.

Related Measures:**M 9: On-going communication.**

Number of presentations.

Source of Evidence: Administrative Measure

Achievement Target:

Outreach and staff will present once a semester to all DE students.

O 10: Distribute core courses info

Inform high schools about the core courses at STC, the benefit of completing this, and distribute "maps" in this area to each high school.

Related Measures:**M 10: Target date.**

Established target dates.

Source of Evidence: Administrative Measure

Achievement Target:

Develop and distribute core course offering for each high school by fall of each year.

O 11: Survey of DE students

Poll Dual Enrollment students on whether they are considering STC - reasons for yes or no.

Related Measures:**M 11: Conduct student survey.**

Number of actionable findings from DE student survey.

Source of Evidence: Evaluations

Achievement Target:

At least once a year, with at least one actionable finding.

O 12: Increase the enrollment number of DE students

Increase the enrollment number of DE students matriculating from high school to STC from Fall 2007 to Fall 2008.

Related Measures:**M 12: Enrollment Number**

Increase the enrollment number of DE students matriculating from high schools to STC from Fall 2007 to Fall 2008.

Source of Evidence: Academic Indirect Indicator

Achievement Target:

There will be a 10% increase for Fall 2008 in enrollment of students matriculating from high schools to STC over Fall 2007.

Findings (2008-2009) - Achievement Target: Met

Fall 2007 number of students who graduated from high school and immediately registered at STC = 572
Fall 2008 number of students who graduated from high school and immediately registered at STC = 733
Increase from Fall 07 to Fall 08 is equal to 161 students which represents a 28% increase from Fall 07 to Fall 08. The achievement target has been met.
